# OYAM INSTITUTE OF SCIENCES AND TECHNOLOGY

**"BE THE ENERGY YOU WANT TO ATTRACT"**

## MISSION

To provide advanced knowledge in a demanding academic and research environment through attracting and building people in a rewarding and inspiring community by fostering freedom of learning, empowerment, creativity and innovation.

## VISION

To be a leading institution of science and Technology in East Africa.

Our programmes are licensed, registered, and accredited, and our training systems operate under an ISO 9001:2015 certified Quality Management System, ensuring consistent academic standards that meets the international and global standards in the world of work.

## OUR CORE VALUES

Our core values clearly define what, where, when, who and how we intend to operate in serving the world for advancement of mankind. This shall be achieved through striving for:

- Effective communication
- Liability
- Veracity
- Transparency

# BACKGROUND

Oyam Institute of Sciences and Technology (OIST) is a licensed private not for profit tertiary Institution in partnership with United Young Innovators Foundation (UYIF) dedicated to training competent professionals in health sciences, technology, agriculture, and education.

Established in the year 2018 as a Christian based Institution.

We offer accredited National Certificates, Certificates, Ordinary Diploma and Diploma programmes in Health Sciences, Engineering and Medical Technology, Education, Agriculture, and Applied Sciences aligned to national, international and industry needs for Uganda Community Polytechnic Certificate (UCPC) upgraders, S4 and S.6 leavers, and Technical Institute graduates.

## WHY CHOOSE OIST?

- Licensed, Registered and accredited programs offered.
- Professional tutors for the respective programs.
- Pocket friendly tuition fees and convenient payment mode.
- Fully operational library with E-research infrastructures.
- Fully equipped laboratory for hands on training required for the respective programs.
- Co-curricular activities i.e. sports, recreation and clubs for developing talents.
- Quality assurance by monitoring lecture efficiency and student's understanding.
- Mid semester recess programme for more hands on practice to maximize student's competences.

## HOW TO APPLY?

1. Obtain an application form from the Registrar's office, P.R.O Office or from the contact person or download from our website or Radio Station where you got to know OIST.
2. Fill the form correctly and attach copies of all your education documents.
3. Make payment of Ugshs.50,000/= using our MOMO pay code 634504 in the name of the Institute.
4. Return the forms promptly to the Registrar's Office at least 3weeks before the beginning of new academic year and shall be issued with a letter of acceptance (admission letter).

# AVAILABLE ACADEMIC PROGRAMMES

## Diploma Programmes

*(All Diploma Students under these categories' Meals, Accommodation and Utility fees will be covered by United Young Innovators Foundation for all resident students)*

### Industrial Technology Programmes

1. Mechanical Engineering
2. Woodwork Technology
3. Electronics Technology
